

## Host a fun walk

**What it is:** A fundraising walk is a fun way to spend time with friends, family, and your community! You'll choose a date and a location, then invite everyone to come walk with you and show their support. You might even make a day of it and have picnic lunches and a cooler full of cold drinks for all your participants!

### **What you may want to get geared-up:**

- Matching t-shirts ([make them on Bonfire!](#))
- Bottles of water
- Balloons, a banner, or other eye-catching decorations
- An easy idea - pick your favorite local park with a walking track!

**How you collect donations:** Cash works, or set up a [JustGiving](#) page for your walk and collect donations online in one place! You might think about adding a QR code on any event fliers, social media, or even on stickers that you attach to your event beverages!

**How to promote you event:** Think about who you want to invite and share your event on social media, via email, and/or text. Consider printing fliers to share with neighbors or to post in your community. People need reminders, so call, text, and post about your walk often!

**Fun alternative ideas:** Virtual Walk (Have people share selfies wearing your team shirts or using your event hashtag!)
